## TO CONNIE

My mind delights as I think about
A scene I'd like to envision,
As one of ours, who's gone now
Stepped through the door to Heaven.
Picture those eyes that here were dim
Light up as bright as the sun
When she looked on that glorious scene
And saw the Holy One.
Can't you imagine she was thrilled to hear
Sounds she's never heard,
And she's been privileged to hear
Our Saviour's loving words:
"Come on in, my child, you're home,
There's love and joy here.
Sit down and enjoy the heavenly choir
They're singing for you, my dear.
The pain below is gone, my child;
The loneliness is past.
Observe these beauties--the streets of gold
They're here just for you--at last.
Your life was short down on earth.
Seventeen years is not long,
But now you're home forever more
To sing about My throne."
We won't forget you, Connie.
Your memory will linger long
Until the day we enter in
And join you in that song.

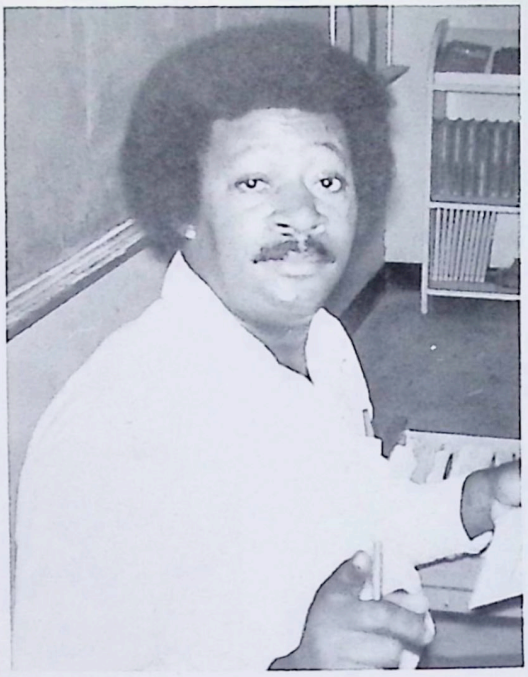
FOR HELPING US TO BE NO. 1



Inspired by your never letting a loss weaken the teams' spirit, your strong support of deaf athletics including the times you worked so hard to help us maintain a fine record which took us all the way to the state tournament, and your ability to lead which helped us to the No. 1 ranking of deaf basketball teams in the U.S. and which brought you the title "National Deaf Prep Coach of the Year" . . . The Tigerama staff wishes to co-dedicate the 1977 issue of the Tigerama to you, Ezekiel McDaniel.
